Report of Principal and School Improvement Council

Pelham Road Elementary School, a National Blue Ribbon School of Excellence, Palmetto's Finest, and a school of traditional studies and technology, has achieved AYP– Adequate Yearly Progress—for five years. In order to reclaim our EXCELLENT Absolute rating that we received for four years on our state report card, we have redoubled our efforts at improving each child's achievement and continuously participating in professional training for our faculty and staff. We are grateful to have a student population representing 42 different countries and nationalities with 21 different languages spoken at home. In addition to having a multicultural learning environment, we are an outstanding school of technology. We have served as a technology model school providing information and tours to other schools from our district, state, and neighbors in Georgia and North Carolina. We utilize Smartboards and computers in every classroom. We are proud of our 30 station computer lab and three wireless laptop labs. We are thrilled to have a STRONG volunteer program sponsored by our PTA and SIC. This year, we clocked in over 30,000 volunteer hours and are very indebted to our parents for their support in helping our students reach their potential. We are proud of our high quality faculty and their own educational achievements. Currently, 24 faculty members hold Masters Degrees and 5 others are working toward Masters Degrees. National Board Certification has been obtained by 12 of our faculty, and one faculty member is working on her PHD degree in administration and supervision. We provide individualized goal setting and progress measurement for our students through MAP testing – Measuring Academic Success. Strong integration of writing across the curriculum provides our students with a solid language arts foundation. Our mission, in partnership with the home and community, is to: Prepare; Respect; Enrich; and Succeed. We are proud to be ALLSTARS in "A Community of Learners."
